Minimal dissemination activities

- website and facebook account;
- website of the partner organizations;
- dissemination minimum 500 leaflet and 150 posters;
- dissemination of project outputs: minimum 250 CD-s, 250 brochures;
- 1 international conference - 60 participants and 8 international guests;

Minimal dissemination activities

- 4 local seminars organized in Lithuania, Italy, Cyprus, Poland, each attended by minimum 30 participants;
- 4 articles about the project in the OAMGMAMR Iasi Branch magazine ``Infonursing``;
- publication of at least 2 articles in scientific journals;
- e-mails advertising of the project and its outcomes send at least once in 3 months by each partner to persons from the direct and indirect target groups
 - at least 500 nurses, 400 nurse students and 80 care workers in the 5 countries in total .

Project sustainability

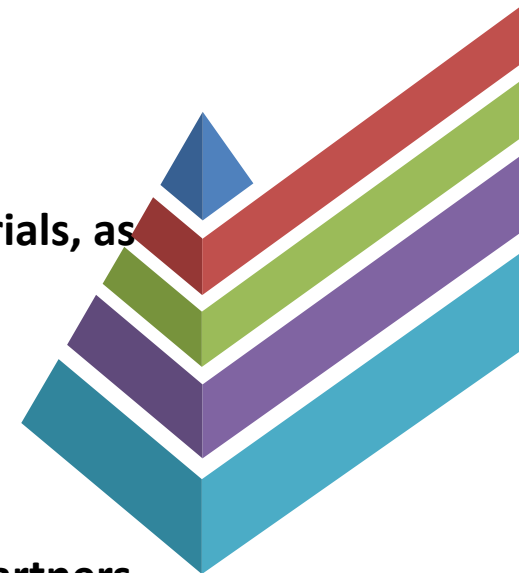

- **Website: will be kept for at least 5 years**
- **Training platform: will be kept for at least 5 years**
- **Trainings**
 - **Resources will be uploaded on **partners' websites** during the project lifespan. In case of extensive files (video, Power-point presentations etc.) partners will include links at their websites.**
 - **The elaborated materials and courses will be also proposed for upload at **Open Education Europa platform** (<http://www.openeducationeuropa.eu/>)**

Project sustainability

- Partners will try to involve more stakeholders to use the materials, as well as to give their feedback.
- Partners can use materials in their trainings, seminars and commercial activities.
- At the end of the project **IPR agreement** will be signed by all partners which we foresee to allow partners to use the materials developed in their own language for non-commercial, as well as commercial activities if they wish so.

Further collaborations

- Other project in 2019?
- What topic?
